MISSION

**OUR MISSION IS TO SHOW THE NEXT GENERATION AND THEIR PARENTS HOW TO
CREATE A SUCCESS FINANCIAL PLAN THROUGH PRACTICAL FINANCIAL LITERACY.**

We strive to plant the seed of financial freedom and cultivate a mindset that embraces proper financial education. Through tailored programs, coaching, and engaging workshops, we aim to equip individuals with the skills, knowledge, resources, and confidence needed to take their finances to the next level.

Our commitment extends beyond just our programming; we build community around the people in which we serve. As we deepen our roots in the work, we aspire to unleash the untapped potential within each young person, rejuvenate the parents, and inspire them all to enjoy financial **happiness**.

WHO IS LAWRENCE CAIN, JR.?

As financial coach, educator, and passionate advocate for quality financial literacy, Lawrence Cain, Jr. stands at the forefront of the imperative shift in financial education.

With a lifelong commitment to instilling principles of finances, Lawrence is a true expert in guiding the youth towards a future of innovative financial success for their families. Lawrence is known for his consistency in the financial literacy space. He's flooded our communities with valuable content by way of social media, podcasting, local Cincinnati news outlets, and more. As the CEO of Abundance University, a leading financial literacy programming organization, he specializes in empowering individuals to unlock their financial roadmap.

Before becoming a successful business owner, Lawrence honed his skills for many years in the finance industry. He's held positions in banking, financial aid, and public lending. It is these positions that helped him master the art of teaching, serving, and engaging with people.

An accomplished author, Lawrence has written four books since 2017. Each book serves the various age groups represented in any given household, and has landed him in publications such as the New York Times.

Lawrence is a firm believer that financial education is not only essential, but possible for every person with the proper delivery.

Beyond his professional pursuits, Lawrence finds joy in his family. He's been married to his wife for 10+ years and has 3 children; 1 boy and 2 girls.
